Re: Apprenticeship Program

To whom it may concern

The Class A Apprenticeship Program consists of 4 trades, Glaziers, Drywall Finishers, Industrial Painters, and commercial Painters, I handle the commercial Painter Apprentices and in at least 3 of the past 5 years of my employment I've graduated 40-50 apprentices to journeymen, so the program itself must of graduated at least 100 under my supervision.

Please contact me if you have any questions at 732-615-8502.

Sincerely,

Mike Rocha
