"Developing the future leaders of America's construction workforce"

February 17, 2016

Eastern Environmental Contractors, Inc.
R. Matthew Braglio
6304 5th Street PO Box 278
Green Lane, PA 18054

To Whom It May Concern:

The Associated Builders and Contractors Eastern PA Chapter offers Apprenticeship Training. This is an active program with the Pennsylvania Apprenticeship and Training Council (PATC) and the United States Department of Labor. Our program, number PA006670005, has graduated 40 to 50 apprentices each year for the last 5 years.

This also serves as documentation that Eastern Environmental Contractors, Inc. is an active and current member of the Associated Builders and Contractors Eastern PA Chapter and has been since 2009.

Sincerely,

Vince Console
Director of Training
ABC Training Center
