## BCA Launches Online Billing System

You may notice that your bill looks different this quarter. That's because we have made some important changes regarding your quarterly sewer billing. These changes are being implemented after numerous requests from our customers to make it possible to review their account and pay bills online. We have changed from Harris Local Government to a billing software company called Caselle. One big plus with the new billing system is that you will now be able to view your statement online. This will give you 24-hour access to your account. Not only can you view and pay your bills, you can also now set up autopay. Another perk is that you can set up reminders that your bill is due. Please note the following:

**The new account number will be listed on the bill, and your old account number will be in the message section.**

Customers will still be able to make online payments, but instead of using Municipay, we have switched to Xpress Bill Pay. You will be able to set up an account using your new account number.

Customers may continue to submit payments as follows:

- Submit payment in the envelope provided and addressed to Ithaca, NY
- Go to Tompkins Community Bank on Ridge Pike
- Place payments in the payment box located at Fourth and Fayette streets

Congratulations to Mayor Yaniv Aronson on being named Mayor of the Year by the Pennsylvania State Mayors Association. Mayor Aronson has devoted his life to education and community service and has worked to promote Conshohocken as both an active community for residents and a regional destination for visitors. Mayor Aronson is pictured here with his wife, Sarah, and their son. Keep up the great work, Mayor Aronson!

October 24  
November 28  
December 26

Meetings are held in  
the Borough Hall:  
400 Fayette Street  
Conshohocken

Meeting time 6:30 pm

## BCA Revives Toilet Paper Toss at Funfest

On September 16, the Borough of Conshohocken Authority continued its annual support of the Conshohocken Funfest. We had the Toilet Paper Toss with new prizes and handed out candy and literature on water conservation, safe disposal of cooking grease and what not to flush down your pipes. Marty Higgins worked the tent this year along with Eddie Monagan. Also working in the tent was BCA Finance Director, Shannon Stewart and family. Thank you to the Borough of Conshohocken for hosting another successful event.

# WINTERIZE Your Home

Your home isn't the only one that can be winterized.  
Your neighbors and those most vulnerable might need your help too!
